**Subject:** acknowledgment of request to amend SNM-42, Chapter 5

This email is sent to acknowledge receipt of your letter 08-076 dated May 28, 2008, which provides a revised Chapter 5, Criticality Safety, in its entirety, with the changed sections marked by vertical lines in the right hand margin. Your request has been assigned TAC **L32686**. Please reference this number in any future correspondence associated with this request.

Please note that the complete review may identify omissions in the submittal information or technical issues that require additional information. Based on our acceptance review and projection of current review schedules, we anticipate completing our review by the end of October 2008. This date could change depending on the findings of our technical review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule.

In addition, a copy of your submittal has been forwarded to the License Fee and Accounts Receivable Branch, Office of the Chief Financial Officer, who will contact you separately if the appropriate license fee has not been submitted for your request, or for billing if your request is subject to full cost fee recovery.

If you have any questions regarding this letter, please contact me at (301) 492-3128 or via e-mail to [mnb@nrc.gov](mailto:mnb@nrc.gov).
