Re: Application for Materials License

Dear Mr. Courtemanche:

This is in reference to your letter dated November 19, 1998. Please amend our license application as follows:

1. Item #3 - to read, "We confirm that license material will also be used at temporary jobsites anywhere in the United States where the U.S. Nuclear Regulatory Commission maintains jurisdiction for the use of license material."
2. Item #5 - to read, "We confirm that each sealed source, device, and source/device combination is registered as an approved sealed source or device by NRC or an Agreement State. Also, we confirm that the activity per sealed source will not exceed the maximum activity listed on the approved certificate of registration issued by the NRC or by an Agreement State."

Tri-State Materials Testing Lab Inc., appreciates your assistance in this matter. If you have any further questions, please feel free to contact us at any time.

Sincerely,

Alberto Jimenez  
RSO ( designate)
