Mr. Thompson:

Here is Baker Hughes INTEQ's (Lafayette, Louisiana) source abandonment report for 2 wells for Apache Corporation (OCS-G 31470 A021 ST00BP00 and OCS-G 31470 A021 ST00BP01) in Ewing Banks Block 782. Should you need anything else, please let me know. Since they both occurred on the same rig and the same OCS-G 31470, I combined the 2 together into one report. I hope that is not a problem.

Thanks in Advance
