To Whom It May Concern:

Please be advised that Cathedral Healthcare System has completed the transfer of ownership of Saint Michael's Medical Center to a subsidiary of Catholic Health East, i.e., Saint Michael's Medical Center, Inc. Catholic Health East is one of the nation's largest Catholic health systems, with 33 hospitals and numerous other health facilities in 11 eastern states from Maine to Florida.

Saint Michael's Medical Center, at 111 Central Avenue in Newark, will operate as a 357-bed regional tertiary-care, teaching, and research center. In addition, it will support two satellite sites — the Saint James Campus, serving Newark's East Ward, and the Columbus Campus, serving the city's North Ward. Non-acute health services — including 24-hour emergency care, prenatal care, and primary care — will continue at these satellite campuses, supported by the inpatient, outpatient, and clinic services available at the medical center's main campus.

If you have any questions with respect to the medical center's legal, contractual, financial, and other relationships, or its affiliations with vendors, contractors, labor unions, staff, and other persons, businesses, and associations, please direct your inquiries to the administration of Saint Michael's Medical Center, Inc. The main telephone number for Saint Michael's Medical Center, Inc. is (973) 877-5000.

Sincerely,

Ronald J. Rozniak
