To Whom It May Concern:

Enclosed, please find a request for a license amendment for Arnett Clinic in Lafayette, Indiana, NRC License # 13-32535-02.

The name and address of this facility will change to Clarian Arnett Hospital and the address will be 5165 McCarty Lane, Lafayette, Indiana 47905. The Radiation Safety Officer and Authorized Users will remain the same. We would like to keep the current addresses of use on the license until the transition is complete. We will then remove addresses no longer used for nuclear medicine. Enclosed, please find the facility diagram for the imaging suite and hot lab at the new facility.

If you need further assistance, please contact our consulting physicist, Erin Lambert at 317.313.0406 or via email at elambert@mpcphysics.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael W. Skehan", is written over a light blue horizontal line.
