In response to your letter dated November 14, 1980, which transmitted IE
Bulletin 80-23 on Failures of Solenoid Valves Manufactured by Valcor
Engineering Corporation, it has been determined that Sequoyah unit 2, Watts
Bar, Bellefonte, and Yellow Creek Nuclear Plants do not have the subject

As requested in your letter dated November 14, 1980, we estimate that TVA

correspondence required to comply with this bulletin for the subject
plants.
