Gina, as we discussed today on the phone, please send us a list of RAI topics early next week for the next ESBWR DCWG meeting. We will work on having the appropriate technical staff available for a public meeting on September 4th. In addition, we will need to finalize the overall agenda no later than 8/19.

Please send the list to myself, Jerry, and Tom as I will be out of the office next week with limited access to email.

Thank you!
