Hi Chip,

We are looking forward to meeting with you, Michael and Christopher on Saturday about 9:30 or 10 or when ever you get here. We understand that you will be leaving Rockville about 7 a.m. Attached are directions from the capital beltway (Rt 495) getting onto Rt 66, etc. We do not recommend that you come down Rt95 on a weekend, as there are many traffic tie-up's.

We will have a total of 5 persons representing the Friends of Lake Anna, Lake Anna Civic Association and the Lake Anna Boating and Recreation Association to discuss our environmental concerns with the proposed 3rd reactor. Note that none of the group's are anti-nuclear, nor have not-in-my backyard sentiments.

I will have coffee and doughnuts when you get here.

We get then meet for about 2 hours or so and get a quick bite to eat. I will provide a small lunch (barbecue & potatoe salad & drinks) . Then hopefully you will have time to go on about a 40 minute boat ride, so we can show you first hand that 88 degree heat that we are currently (beginning of May) experiencing at the end of the discharge canal. This boat ride will also give you a first hand look at many of the environmental concerns that we have, so we can discuss possible ways to mitigate them.

Thanks in advance for taking your valuable time to come and discuss and see first hand our various issues.

Please let me know that you have received this.

Harry

1. From Washington Beltway (Route 495) – do not go on Rt 95 on weekend as it gets many traffic tie-up’s.

2. Get on Route 66 West

Pass Fairfax, Centerville, Manassas and get off at Gainesville (Route 29 South) going towards Warrenton.

Stay on 29 South and take the Warrenton Bypass (do not go into Warrenton business)

3. Stay on 29 South towards Culpepper and get off at the 3rd Culpepper exit (Route 3/522 South exit

4. When at the top of the off ramp – turn left for about 3 blocks and then turn right on route 522 South towards Mineral

5. Stay on 522S (for approximately 23 miles) (cross over Rt 20) - (Note this will take you over 3 bridges on Lake Anna), (the 3rd bridge is at Christopher Run Campground) Go approximately 1 mile past the campground and turn left onto Rt 208 at Dickinson Store.)

6. While on 208 -(go 1.3 miles) to where you see Lake Anna Realty office on the left and then turn right on Route 652 (Kentucky Springs Road) . (Proceed 6.9 miles on 652.)
Note that Kentucky Springs road is the road that the North Anna power plant is on

Go over 1 Lake Anna bridge (past the power plant) and then over another bridge before getting to Elk Creek Store, and the one additional bridge once you pass Elk Creek Store on the left. (Total of 3 bridges while on Rt 652 _ Kentucky Spring Road.

After passing Elk Creek Store, go approximately 1 mile

7. Turn left on Route 728 (Busbees Point Road)

8. Go 1 1/2 blocks - turn right onto Heather Drive - go to the end of road to Harry Ruth’s (230 Heather Drive, Bumpass, Va. 23024.

Have a great trip, we are looking forward to meeting with you.
