Mike,

Attached is the email I was referring to this afternoon. I now see that Harry sent it to the wrong email address for you. You must have wondered what my 11/19 was talking about.

Perhaps we should send Harry a status note...pointing out the address issue and that we expect to get a response to him by some date in early December?

I'm around all week, but am completely booked up tomorrow with meetings. Maybe Thursday or Friday?

Chris
