Subject: U.S. EPR Design Certification Application RAI No. 41, FSAR Ch 5
Attachments: RAI 41 CIB1 764_765.doc

Attached please find the subject requests for additional information (RAI). A draft of the RAI was provided to you on July 17, 2008, and discussed with your staff on July 29, 2008. No changes were made to the RAI questions as a result of that discussion. The schedule we have established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. For any RAIs that cannot be answered within 30 days, it is expected that a date for receipt of this information will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the published schedule.

Thanks,
Getachew Tesfaye
