RE: Withdrawal of Request for Amendment
License 06-30007-01 (Current Amendment No. 16)
Docket No. 030-33025

Dear Sir or Madame:

Please withdraw my request for amendment dated July 7, 2008. This turned out not to be an amendment, but necessitated a new license to be applied for. The cost of the new license application and the associated annual fee make this unfeasible for us to pursue at this time.

Sincerely,

K. Paul Steinmeyer, RRPT
President and Radiation Safety Officer
RSA Laboratories, a Division of Radiation Safety Associates, Inc.
