Gentlemen;

Mr. Immanuel lives in Dorchester County, across the bay from Calvert Cliffs. He's concerned that he and his fellow residents won't be able to meaningfully participate since they can't get to the meetings, etc., and he's wondering how environmental justice applies in this case. Thanks.

Scott

To Mr. Burnell: NRC:301 415 8204

concerning the proposed Calvert Cliffs Unit 3 Nuclear Reactor

I would like to know:

1: Will there be Federal Funds made available to build this Reactor?, to Constellation?; and or to the State of MD?

2: Does the Environmental Justice rule apply to the State of Maryland?; or to Constellation?

thank you for your time

i may be sending further correspondence in the future
