**Attachments:** RAI No 6 NARP 689.doc

Attached please find the subject request for additional information (RAI). A Draft of the RAI was provided to you on July 9, 2008. UniStar indicated to NRC that no discussion of this RAI was needed prior to it being sent formally. The schedule we have established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. For any RAIs that cannot be answered within 30 days, it is expected that a date for receipt of this information will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the published schedule.

QUESTIONS

01-1

10 CFR 50.33(a) requires the application to state the name of the applicant. The COLA Part 2 was submitted on March 17, 2008. It states that the name of the first applicant is "Constellation Generation Group, LLC." Information from the Maryland Department of Assessments and Taxation indicates the name of the "Constellation Generation Group, LLC." was changed to "Constellation Energy Nuclear Group, LLC." on October 1, 2007. Please explain the reason an old name for the applicant is stated in the COLA or amend the application to reflect the new name.

01-2

10 CFR 50.33(d)(3)(i) requires the application to state the principal location where the applicant does business. This information has not been provided for UniStar Nuclear Operating Services, LLC. Please provide this information for UniStar Nuclear Operating Services, LLC, in the next application amendment.
