Subject: Possible need for a NY State possession license.

(NOTE: This will be used as the
Documents Title in ADAMS)

Summary: 10:00 I left a message on Mr. Markert's voice-mail for him to call me and give me an update on the stance of New York State's DEP regarding the need for a license for possession of licensed material.

15:00 Mr. Markert returned my call. He stated that he has been in contact with the NY DEP. The representative stated that the matter would have to be looked into and a decision made. Mr. Markert would be informed of the decision once it is made.

July 14, 2008 I appraised James Kottan, NRC SAO, about the above. He stated that I should continue to monitor the situation until it is resolved. I should contact the licensee in a week or two.
