Guy:

My computer is finally stable. How about this weather?

I spoke with Teresa and let her know I would be in tomorrow morning. My goal is 9 AM.

But if your "other demand" on your time moves up in priority, don't worry. I'm bringing my notes from North Anna so I think I will be ok.

Thanks.
Tami

Tami,
FYI

I plan, right now, to be in the office from 0730 to ~1300 on 6/5. If you come by the office at any time during that window, I'd be happy to show you the records.

Of course, if you choose to come in the afternoon, that's fine; but I will likely not be available.

Guy
