Tami – For the Audit Kickoff, I am putting together an agenda. I believe you said you had some things you wanted to go over/discuss as part of the kickoff? If so, could you let me know what they are and I will add your information to the agenda. Also, would like to speak at the beginning or end of the kickoff? We have a brief presentation we will go through and of course, we will have the transmission presentation as well.

Thanks,
Amy
