Guy

Tami,

FYI.

Today's ESBWR Design Center mtg w/NRC Staff includes a discussion regarding how information (beyond the application itself) is made available to the Staff to support COLA review.

- See 10am topic on agenda (meeting notice attached).
- A number of the topics that you and I have discussed recently (regarding providing documents prior to, during & post Audit) could be introduced. This is primarily intended by industry reps to "tee up" / introduce the discussion and begin dialog; no decisions expected.

The mtg is at the NPOC offices, across the street from the NRC Whiteflint offices. Figured you're pretty busy but might want to know.

Guy
