Amy:

We have a request from the PNNL Rad Health team to move their scheduled meeting, if possible. See message below.

Terri,

My only request for the Rad Health Schedule would be trying to move the Rad Environmental Monitoring meeting with John Lassetter currently scheduled from 3:00 - 4:00 Wednesday afternoon to sometime on Tuesday. Anytime Tuesday morning or Tuesday afternoon after the radwaste discussion (which should be over by 2 PM) would work.

Thanks,

Greg
