Guy:

I apologize that I am just now receiving your email. (been in front of Chip Cameron and Barry practicing my presentation for scoping and discussing meeting arrangements.)

You are correct. No more staff have intentions of visiting the room today. Hope you were able to begin packing early.

Tami

Tami,

I understand that Chris Cook, Dan Musatti, Andy Kugler visited the Germantown reading room yesterday. Hope they were able to begin their familiarization with the material.

I assume we can expect no one today, thus can begin packing materials for shipment to Jackson. Am I correct.

Guy
