to all:

The June 11 letter from NRC to the Corps concerning the updating of the MOU has prompted us to rethink our earlier decision of interacting with the Corps by telephone conversations only at this stage. This letter is located in ADAMS in package # ML081550250. The people who are coming on Wednesday are from the Regulatory Division of the Vicksburg District and I am guessing are probably different from those with whom Lance has been discussing all the Corps permits with.
