Dear Mr. Zech:

WATTS BAR NUCLEAR PLANT (WBN) - UNITS 1 AND 2 - CONFIRMATION OF ACTION LETTER -
WELDER CERTIFICATION RECORDS

Please refer to your letter to S. A. White dated July 31, 1986, concerning the August 23, 1985 Confirmation of Action Letter (CAL). In that letter, you expressed five concerns with respect to TVA implementation of the CAL and requested a meeting be scheduled to discuss and clarify TVA's position on the issues. TVA is now ready to meet on these issues. J. A. McDonald will get in touch with your office to establish a schedule for the meeting.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
