This letter confirms the February 20, 1987 telephone conversation between
R. E. Shewmaker (NRC-OIE), and D. L. Williams (TVA-Nuclear Safety and
Licensing) regarding the subject inspection reports. Due to the extensive
coordination within TVA needed for the responding to the issues in this
report, an extension of the TVA response date to March 20, 1987 is required.

If you have any questions, please get in touch with D. L. Williams at
