**RE: Virginia Heart Institute - Material License #45-18459-01**  
**Docket #: 030-15119**  
**Control #: 142637**

Due to illness, Charles L. Baird, Jr., M.D., will no longer be able to serve as the Radiation Safety Officer and Authorized User for Virginia Heart Institute. Christopher S. Nicholson, M.D. (presently named as RSO & AU on license #45-25634-07 issued to Henrico Cardiology Assoc. Inc.) has agreed to be VHI's Radiation Safety Officer and Authorized User.

Please expedite these changes to our file so that we may continue practicing nuclear medicine at Virginia Heart Institute as soon as possible.

Thank you for your assistance.

With warmest regards

Sincerely,

Anne C. Baird  
Vice President
