**Subject:** FW: 7/23/2008 FORTHCOMING MEETING TO DISCUSS PLANS TO SUBMIT REVISIONS TO THE SOUTH TEXAS PROJECT NUCLEAR OPERATING COMPANY'S COMBINED LICENSE (COL) APPLICATION

Hi George and Tekia, I'm trying to find out if and how we can listen in to this meeting by conference call. Any help is appreciated. I understand industry folks have been conferenced in to NRC meetings in the past, and it would be great if citizens in Texas can listen in to this meeting. Thanks, Karen Hadden, 512-797-8481

Dear Kathleen,

Thank you for this notice. I will be unable to attend this meeting in Rockville, Md, but would like to know if it will be videotaped or if a transcript will be available as I would definitely like to be able to participate and would like the opportunity to comment or respond to these proceedings. Could there be conference call capability for the June 23rd meeting? I would like to at least listen in if possible.

Thank you,  
Karen Hadden
