John and Sam:

The current EPM due date for STP, P2 reviews of Chapter 10 sections is 7/25/08. Because of the delays in receiving and transmitting the applicant's RAI Responses to the contractor (Sandia), Sandia is still working on these reviews. Therefore, please send a request to the lead PM (George Wunder) on extending these Chapter 10, P2 review schedules to 8/29/08. Thanks,

Devender
