The December 27, 1984 letter from D. G. Eisenhut to "ALL LICENSEES OF OPERATING REACTORS AND APPLICANTS FOR AN OPERATING LICENSE" requested TVA to provide a response within 30 days from the date of the letter. Because of the delay in receipt of this letter, we plan to provide the response for Browns Ferry, Sequoyah, Watts Bar, and Bellefonte Nuclear Plants on February 22, 1985. The delay in submittal of our response was discussed with the project managers for each plant.

If you have any questions concerning this matter, please get in touch with R. H. Shell at FTS 858-2688.

Very truly yours
