Mr. Marvin A. Runyon, Chairman  
Tennessee Valley Authority  
400 West Summit Hill Drive  
East Tower, 12A7  
Knoxville, Tennessee 37902

Dear Mr. Runyon:

Thank you for your letter of September 21, 1988, which notified the Commission of your plans to appoint Mr. Oliver D. Kingsley, Jr. to succeed Mr. Steven A. White as Senior Vice President, Nuclear Power. This notification satisfied the request contained in the staff's Safety Evaluation Report on TVA's Revised Corporate Nuclear Performance Plan for 30 days advance notice before any permanent replacement of senior managers.

It is the staff's understanding that the Corporate Nuclear Performance Plan is being updated to reflect this management change. The revision should also clarify the reporting relationship between the Senior Vice President, Nuclear Power, the Executive Vice President and Chief Operating Officer, and the Board of Directors.

Sincerely,

Original signed by
