Dave, Amoret, and Jim:

Tom Williamson with Entergy just notified me that they are anxious to set up a telecon to get some additional information as to the specific needs for your reviews. They are anxious to get you guys whatever information you need in the form of a letter they will submit for the docket.

We discussed the possibility of a phone call next Friday morning at 8:00AM PT/11AM ET. If that is too early or doesn't fit your schedules, let me know. We can go later.

Jim - I know you are out that day, but your RAIs would have been submitted to Darby/Terri by then anyway. So we will plan for Amoret to provide your information to them on the Aug 15th phone call.

Mike - I wonder if you would be available for this call?

Thanks for your efforts on this.

Tami
