FROM: RIII - _____

SUBJECT: VOIDED APPLICATION

Control Number: 317239

Applicant: Thoracic & Cardiovascular Institute

License Number: 21-20313-01

Docket Number: 03018237

Date Voided: 8-20-08

Reason for Void: The amendment request to authorize licensed injection of radiopharmaceuticals within Ingham Regional Medical Center was retracted by letter dated 8-15-08 based on a recent change in the radiopharmaceutical used for cardiac procedures that makes the request less useful, plus survey requirements tend to negate the advantage of the original request.
