Gentlemen:

In the Matter of )  
Tennessee Valley Authority )

TVA NUCLEAR (TVAN) ORGANIZATIONAL TOPICAL REPORT - BELLEFONTE,  
BROWNS FERRY, SEQUOYAH, AND WATTS BAR NUCLEAR PLANTS

The purpose of this letter is to document TVA's decision regarding the subject report. Specifically, as discussed between TVA's Ralph Shell and NRC's Ron Hernan on June 21, 1999, TVA plans to incorporate TVAN's Organizational Topical Report (TVA-NPOD89-A) into TVA's Nuclear Quality Assurance (QA) Plan (TVA-NQN-PLN89-A) in lieu of submitting a new revised topical report by June 30, 1999. This decision was based on the similarity of information contained in both documents regarding TVAN's organizational structure. In addition, as discussed in the aforementioned telephone conversation, TVA plans to submit a new revision to the QA Plan by August 1999.

If you have any questions concerning this information, please telephone Terry Knuettel at (423) 751-6673.

Sincerely,

Mark J. Burzynski  
Manager  
Nuclear Licensing
