Gentlemen:

SUBJECT: REPORT NOS. 50-390/83-14 AND 50-391/83-10

Thank you for your responses of July 5, 1983 and August 24, 1983, to our Notice of Violation issued on June 1, 1983, concerning activities conducted under NRC Construction Permit No. CPPR-91. We have evaluated your denial of violation 390/83-14-01 as presented in your August 24, 1983 letter and after careful consideration of the circumstances and the safety significance of the reported problems, we have decided to rescind the violation and correct our records to reflect that decision. We have evaluated your response to violation 390/83-14-02 and found that it meets the requirements of 10 CFR 2.201. We will examine the implementation of your corrective actions during future inspections.

We appreciate your cooperation in this matter.

Sincerely,

Original Signed by R. C. Lewis
