As part of the transition to the Outlook email system, OIS has set up a new Outlook account for the STP COLA hearing file mail box. If you are on Outlook (NSIR, OGC) and need to send emails to the STP hearing file, please use the new mail box: STP.COL@nrc.gov. Branch chiefs, I would be most appreciative if you would forward this to your staff that is supporting STP.

If you are on Outlook and keep using the old GroupWise mail box (STP_COL), portions of your email may be lost or confounded. If you are still on GroupWise, keep using the GroupWise account (STP_COL). During the next couple of months of transition, we will have to be careful to use the correct email box as we move to the new system one by one. Eventually, everyone will be using the new Outlook, STP.COL mail box. The PMs will ensure the emails sent to the GroupWise and Outlook mail boxes are forwarded to the hearing files. I will send out additional reminders as NRO makes the transition.

Thank you for your help and patience during the transition. Any questions - call me!! or email me!!
