Hi Butch,

I will give the list to Gwen to be added to the mailing list. Both George and I had the wrong idea. Thanks for the information.

regards,

Paul

Paul,

I ran into Sharon. There is still some confusion about the mailing lists. The folks who attended the STP public scoping meetings should be added to the environmental mailing list, not the safety mailing list. Gwen maintains the environmental mailing lists for RAP 1 (Adrienne for RAP 2). Please give Gwen the papers that you left with Sharon (I put them in your chair).

Gwen, please create an environmental mailing list for STP. Paul has names for you. You'll also need to create environmental mailing lists for Bellefonte, Harris, and RAP 1 plants coming in later in the year. Rich E., does the Stepwise Procedure discuss mailing lists, if not, it needs to be added so PMs know what is expected. In the meantime, SK should get this on the lessons-learned page on the EARRTH site or create an ISG.

Thanx,

Butch
