Attn: Document Control Desk  
Washington, DC 20555

Gentlemen:

In the Matter of the Application of Tennessee Valley Authority ) Docket Nos. 50-327, 50-328  
) 50-390, 50-391  
) 50-259, 50-260  
) 50-296, 50-438  
) 50-439

Reference: Letter from J. A. McDonald to Sharon R. Connelly (OIA-NRC),  
"Employee Concerns Task Group (ECTG)," dated December 31, 1986  
(T25 861231 644)

**EMPLOYEE CONCERNS TASK GROUP (ECTG) - NRC RESPONSIBILITY FOR CERTAIN CONCERNS**

Enclosure 1 to this memorandum is a listing of employee concern numbers which are presently shown in the TVA data base as NRC responsibility for evaluation, but were not included in the original list of same which was submitted to NRC as Enclosure 1 of the referenced letter. The NRC organization responsible for evaluation of each concern is also indicated on Enclosure 1.

As these concerns were not previously transferred to the NRC in the referenced letter, we are including a copy of each K-form in Enclosure 2. These concerns were discussed informally with Mel Fields in NRC's office by Ron Gagne of the ECTG staff on March 23, 1988.

To ensure the proper traceability of this concern categorization, please formally acknowledge acceptance of the responsibilities designated by Enclosure 1.

Please telephone me at (615) 365-3587 (Watts Bar) if you have any questions.

Very truly yours,

TENNESSEE VALLEY AUTHORITY

James R. Russell  
Watts Bar Nuclear Plant

EMPLOYEE CONCERNS PROGRAM

Concern Number: WI-85-053-015

Confidentiality: N/A (I&H)

Nuclear Safety-Related: Yes

Feedback Desired:

Supervisor Notified: No

Unit(s): N/A

Plant: WBN

Concern: Management (name known) directed that no one was to have access to TVA NCR 6417, and that the NCR would be forwarded to Knoxville for processing. An NRC investigator concurred in this decision. The NRC investigator and the TVA management individual have had business associations in the past. Construction department concern. CI has no further information.

ECTG has assigned responsibility for investigation of the above concern to:

I&H
