Re: Amendment to NRC License 45-01099-01
Mail Control: 142734

Dear Ms. Weidner:

The Virginia Hospital Center would like to add Dr. Robert Hong as an Authorized User (AU) for the HDR remote afterloader activities (Section 35.600) of our RAM license. Dr. Hong is a Radiation Oncologist that joined our staff August 1, 2008. We have prepared and submitted the NRC Forms 313A in a previous transmission.

Thanks for your attention to this request and if any further information may be required. Please contact Ms. Dona King or Arnold Able at 703.558.6284.

Sincerely,

Carl Bahnlein
Executive Vice President and Chief Operating Officer
