Subject: Link for NA ESP EIS

Dr Crabal

Mike Masnik indicated to me that he promised to send you a copy of the North Anna Early Site Permit EIS. At this time we out of hard copies. I have put in a request for additional hard copies to be printed. This may take a week or so. Until we get the additional hard copies, below is an electronic link to the document on the NRC website. Sorry about any inconvenience.

Thanx

Alicia
