Alicia,

I spoke to Rick and he concluded that he did not want to send someone to the meeting. . .

Rick,

I received a call from Alicia Williamson, the North Anna Environmental PM, asking if we would be interested in participating in their Environmental Scoping meeting next Wednesday, April 16, at 7:00 pm at the North Anna High School.

Alicia's question/request was prompted by a phone call from Alan Blamey, who had heard of the meeting through the Resident. Alicia and Andy Kugler discussed this and thought it would be appropriate for someone from Construction Inspection to attend (and extended the invitation to us . . . if it is more appropriate for the Region to attend, then so be it).

So, sir, are we interested?

Mike

P.S. Although I spoke at the public outreach meeting (which is why I think she contacted me), I am unavailable to attend this time.
