Dr Cabral-

This email is to confirm a meeting with NRC staff on Monday, April 14 at 1100am.

Dr. Michael Masnik along with a few other members of the North Anna project environmental review team, will be meeting with you Monday morning.

If you could send me directions to your office, or exactly where you would like Dr. Masnik and company to meet you on the VCU campus, we would greatly appreciate it.

Thank you again for agreeing to talk with us regarding your work at Lake Anna.

Alicia
