Mike
I will be sure to add the meetings as they are confirmed (brain eating amoebas and state folks).
As for the FWS, I'm still working on contacting someone there. I haven't been able to catch up with Tony, he was at Calvert last week. I left him a message yesterday.

Alicia, I assume you will add our meeting on brain eating amobas on Monday and I do not see any of the State meetings? Clam guy, PCB guy, VA dept of Public Health and the instream monitoring, heritage program and fisheries people? I assume Elly Irons is coordinating that? Also did you talk to Tony about someone from FWS?
