Dr Cabral-

It was great speaking with you earlier this afternoon. Again, thank you much for agreeing to meet with members of the NRC staff regarding thermophilic organism sampling you performed at Lake Anna. If your schedule can accommodate, we would like to meet with you on Monday, April 14, 2008 at 11:00am in your office at VCU? Please let me know if this is convenient.  
Thanks again for your time.
