Subject: Amendment to License XCOM1124

Dear Carlotta,

I am attaching our application to amend XCOM1124 to change the name of an Intermediate Consignee listed on page 2 from GE International Operations Company, Inc (GEIOC) to GE-Hitachi Nuclear Energy International LLC. This name change was discovered after we had made a shipment to Laguna Verde and we subsequently stopped the shipment in Texas to wait for an amended license. Also attached is an Authorization for Payment by Credit Card form for the \$720 amendment fee.

We are requesting you waive the 30-day public notice and expedite this amendment so the shipment can continue to our customer this week. This shipment is extremely critical to our customer who is having an outage and needs the parts this week.

Thank you for your assistance. If you have any questions or if you require additional information please let me know.

Sincerely,

*Brenda Conner*  
Brenda Conner
