Subject: RE: North Anna Audit meetings

What time will this meeting be held?

Thanx
Alicia

Subject: North Anna Audit meetings

Bill and Alicia,

At Rich Emch's request I called the Virginia SHPO to set up a meeting for Thursday April 17th, and should be hearing back tomorrow on who we are meeting with. I know we are trying to limit car rentals, but my guess is I should probably get a rental so we can make the trip to Richmond. I appreciate any feedback on this.

Thanks,

Doug

Subject: Travel Logistics for North Anna Site Audit and Scoping Meeting April 14-18, 2008

Everyone-

Attached is the travel info regarding the upcoming site audit for North Anna. Please keep in mind this document can change and will be updated accordingly. If there errors please let me know, and I get them corrected.

At this point I expect everyone to be communicating with their PNNL/NRC counterpart on who and what things they would like to see for the audit. This includes setting up meetings with federal, state, local, and tribal entities. Please let me, Bill Sandusky, Adam Davis, or Laura Quinn by early next week meetings you may have arranged. I would like to get the schedule set next week.

Just as an FYI.....the site audit for the North Anna COL should be focused on issues not resolved during the ESP as well as the new and significant or insignificant information review. NRC regulations do not require a COL applicant with an ESP to disclose information which is new but not found to be significant. The COL environmental report is required to only disclose information that was found to be both new and significant since the issuance of the ESP. This will be the tricky party b/c we wont actually see/review documentation until we get on site. At this time we are planning on the typical 1 week audit. After being onsite for a few days, we will reassess and determine how much (if any) additional time we will need. We plan to hold a team meetings next week to discuss roles and responsibilites due to the ESP.

Thank you for your patience. If you have immediate needs or questions don't hesitate to talk with Bill or I.

Thanks again for all of your help! I look forward to working with you all.

Alicia Williamson
