Scott

The meeting notice for North Anna Scoping meeting has not be formulated yet.

I am in the process of getting the federal register notice (announcing the meeting and Scoping activities) to Rules and Directives today.

It is due to be published late next week (13 or 14). The meeting notice isnt set to be published until approx. 2 weeks before the actual meeting.

I can send you a copy of the FRN? Or the meeting notice draft when I get started on that next week?

Alicia;

Even with a scorecard, I'm losing track of all the press releases I need to do. I don't recall having gotten the draft meeting notice for the North Anna meeting. Please send (or re-send, as appropriate), and I'll have a draft release for your concurrence. Thanks.

Scott
