Alicia,
Can you please talk with Tom Hipschman about the status of our response to Mr. Ruth?

Tom,
I'm sorry to pass you off to Alicia Williamson (the Environmental PM for the North Anna COLA), but she has been coordinating the delivery of my response to Mr. Ruth's hydrology-related emails (through OPA, I believe). I'm in Chattanooga this week and meeting with TVA related to the Bellefonte COLA. I will check email nightly if you need to reach me.

Thanks,
Chris

Mr. Harry Ruth sent a letter to our office requesting that we help find the status to a response to emails sent on November 16, 2007, and December 12, 2007.

Could you provide me the status of your response? The Commissioner plans to respond to his letter.
