Subject: Telcon Summary - Telcon with Lee 8/25/2008

On August 25, 2008, NRC staff (Tanya Simms, James Tatum) participated in a telephone conference call with Duke representatives and observers (see below) regarding the staff's detailed review of the Lee Units 1 and 2 COL application. The purpose of the call was to discuss requests for additional information (RAI) #741.

The discussion focused on the applicant's request for clarification of cooling tower interactions regarding COLA information reviewed in FSAR chapter 9, Section 9.2.1.

At the conclusion of the call, staff informed Duke that the RAI would be issued by the staff.
