**Subject:** Telcon Summary - Telcon with Lee 8/19/2008

On August 19, 2008, NRC staff (Tanya Simms, Dennis Andrukat, and Thinh Dinh) participated in a telephone conference call with Duke representatives and observers (see below) regarding the staff's detailed review of the Lee Units 1 and 2 COL application. The purpose of the call was to discuss requests for additional information (RAI) #222.

The discussion focused on the applicant's request for clarification of the responsibilities of the Fire Protection Engineer and Functional Manager regarding COLA information reviewed in FSAR chapter 9, Section 9.5.1.

At the conclusion of the call, staff informed Duke that the RAI would be issued by the staff.
