Mr. Miller,

We look forward to your response to our questions related to the dose assessment report. We will review it and let you know if we have further questions. Just a reminder regarding personal privacy information: do NOT include individual employee names in your response - please refer to them as Employees 1-4 consistent with the text of the original dose assessment submission.

Dear Dr. Katanic,

I have completed the responses to your questions and concerns relative to the dose assessment report. These responses are currently being reviewed by Clinton Lingren, president and CEO of SABIA. After this review is completed, I will submit these to your office. I expect this to be completed by August 29, 2008.
