Dear Mr. Ebnetter:

WATTS BAR NUCLEAR PLANT - ORGANIZATIONAL CHANGE

This is to inform you that I have made an organizational change at Watts Bar. The Unit 2 Project Management Office now reports directly to the Site Director. In conjunction with this change, R. A. Pedde, Unit 2 Project Manager at Watts Bar, will serve as Deputy Site Director of Watts Bar.

This change is being made so that Watts Bar will become more efficient and accountable with all site organizations reporting through the Site Director and to allow site management to directly focus its attention on the completion of licensing activities for both units.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
