SUBJECT: THREE MILE ISLAND NUCLEAR STATION, UNITS 1 AND 2 - WITHDRAWAL
OF REQUEST FOR EMERGENCY PLAN CHANGE REGARDING JOINT
INFORMATION CENTER RELOCATION (TAC NOS. MD7044 AND MD7045)

Dear Mr. Pardee:

By letter dated October 17, 2007 (Agencywide Documents and Access Management System (ADAMS) Accession No. ML072970126), AmerGen Energy Company, LLC (AmerGen) requested U.S. Nuclear Regulatory Commission (NRC) approval for an emergency plan change involving the relocation of the Three Mile Island Joint Information Center from Harrisburg to Coatesville, Pennsylvania. Subsequently, by letter dated August 19, 2008, (ADAMS Accession No. ML082330141) this request was withdrawn. The request was withdrawn because AmerGen has concluded that the proposed changes are not a decrease in effectiveness and hence do not require prior NRC approval. Based on the withdrawal of the emergency plan change request, TAC Nos. MD7044 and MD7045 are being closed.

The NRC staff is aware that AmerGen has performed this change, without prior NRC approval, in accordance with the provisions of Title 10 of the *Code of Federal Regulations*, paragraph 50.54(q). Please contact me at 301-415-2833, if you have any questions.

Sincerely,

/ra/

Peter Bamford, Project Manager
Plant Licensing Branch I-2
Division of Operating Reactor Licensing
Office of Nuclear Reactor Regulation

Docket Nos. 50-289 and 50-320
