DOMINION ENERGY KEWAUNEE, INC. (DEK)
KEWAUNEE POWER STATION
APPLICATION FOR RENEWED OPERATING LICENSE
REFERENCE DRAWINGS

Dominion Energy Kewaunee, Inc. (DEK) has prepared the attached license renewal drawings to aid the NRC staff in their review of the application for renewed operating license for Kewaunee Power Station, submitted under separate cover in a letter dated August 12, 2008 (Serial No. 08-0462).

Mechanical system boundaries and system interfaces are indicated on the license renewal drawings and references to these drawings are provided within the application for renewed operating license, where applicable. These drawings are not considered to be part of the application.

As identified in the attached drawing listing (Attachment 1), one drawing is being withheld from this package. That drawing contains potential security sensitive information, and is being submitted under separate cover.

In addition to a CD-ROM copy for the Document Control Desk (Attachment 2), three hard-copy sets of license renewal drawings are provided for the staff's use and one hard-copy set each is being provided to the Region III office and the Senior Resident Inspector at Kewaunee.
